■his appeal arises from the judgment dated 29 December 1996. by the said judgment the learned district judge dismissed the plaintiff's case for a declaration of title against the defendant on the ground that the action cannot be maintained, has the plaintiff herself is a tenant under the National Housing authority.

The judgment of the learned district judge therefore appears to be flawless as regards the application of the law relating to action for declaration of title ⁱⁿ the circumstances, I see no reason to interfere with the judgment appealed against. Hence, this appeal stands dismissed.

There shall be no costs.
