Before: Vijith K. Malalgoda, P.C. J (P/CA) &

P. Padman Surasena, J.

Counsel: R. Chula Bandara for the Petitioner.

Decided on: 21.06.2016

Vijith K. Malalgoda, P.C. J (P/CA)

Heard the learned Counsel in support of this application.

The learned Counsel informs that he filed the papers in the Supreme Court and the order made by the Supreme Court is before this Court by way of a motion. When going through the documents filed by the Petitioner, Court observes that paragraph 42 of the petition filed in the Supreme Court is almost identical to the paragraph 25 of the petition filed before this Court. In the Supreme Court when the matter was supported before their Lordships on 27th January, had decided not to issue notice on the said matter after giving due consideration to the material placed before the Supreme Court. We see no difference between the present application with the matter supported before the Supreme Court since it is one and the same order which was challenged before both these Courts. There was no subsequent development complained of in the present application. It is further observed by this Court that the Petitioner has

come before the writ jurisdiction which is a discretionary remedy and in the absence of any additional material placed before this Court, we see no reason to issue notices in this matter.

We therefore, refuse notices in this matter. We make no order with regard to the cost. Application is accordingly dismissed.
